

Chat notes: 8/23/15

from Center for Creative Inquiry to Everyone:

Reminder - Last 2 classes for this session on Sept. 20 and Sept. 27

from Michael to Everyone:

When we were studying the 'field communique' I wondered if the field was an ultimate of knowledge communicating with us in our ordinary lives. It's quite exciting to encounter the 'light communique' as a way of peering more deeply into a realm ordinarily hidden. It's almost like being able to step across a boundary and look around at a magical realm--before being drawn back into the human realm, with a bit of mystery clinging to our embodiment.

Inhabiting our situation with eyes adjusted to a different light.

from ken mckeeon to Everyone:

Could light manifest as inquiry, as light motion?

from Michael to Everyone:

Light dancing in the light?

from ken mckeeon to Everyone:

Light time!

from John to Everyone:

When inquiry is Based on the already knowingness of light, then it manifests as creativity. I capitalized based to emphasize it.

from Michael to Everyone:

Abiding in thought but not in light? Is that because light is inherently motion and so we have to be willing to run after it, like a kid chasing an ice-cream truck?

from John to Everyone:

We are in two processes: learning/awakening the cosmology of light, and embodying this cosmology in this focus - this self/world realm we are focused in - as light

from Soudabeh Azizi to Everyone:

As if due to lack of distance or presence of intimacy one's compassion or mercy is flowing for what used to be distant and the other ...
