Chat Notes: 9/27/2015

from David Filippone to Everyone:

I like a continued guided approach to further exploration of the vision

from Ron to Everyone:

Clinging to views even the Dharma can be an obstacle to complete freedom

from Ron to Everyone:

The self is a pathological liar 🙄

from Ron to Everyone:

Yea fundamental insecurity

from Michael to Everyone:

Can "knowledge of the whole" suggest that the whole is knowing, more than being known? As on page 41--"The whole can become knowledgeable"--which seems to have a different flavor than the whole being known . . .

from klaus noldes to Everyone:

the river appears out of the whole (ocean, through raindrops) and disappears into the whole (ocean) again

from Karin to Everyone:

Activating the vision is bringing more ease - things loosen up. Seeing much more - more beauty, feeling more gratitude.

from David Filippone to Everyone:

Thank you Jack for a truly rewarding experience of exploring the TSK vision for the past two years. Your personal guidance has been appreciated beyond what I can express here. Just can't thank you enough.

from John to Everyone:

Yes, thank you Jack! And thank you everyone!
